### ACCIDENTAL DROWNINGS

Summer is synonymous with kicking back poolside or beachside with friends and family. During all the fun, it is essential to be extra vigilant about well-being and safety. Even with the most diligent people on watch, sometimes horrible things can happen when water is involved, like accidental drownings. Those tragic events are often preventable if only staff had followed specific safety protocols. If your family is suffering because of an accidental drowning, you could be entitled to compensation. Call us today at The Lapidus Law Firm for a free consultation. We are 100% committed making sure our clients get sizeable settlements in their favor.
